At Chan's Chuan, we believe that our customers deserve to eat just as their hosts Chef Chan would serve his own family and his friends. Chef Chan is studied and appraised in Ningxia (Xi) and Yangzhou (Jiangsu) (British Columbia) under Master Chef Li Hong Long. When it comes to food he is constantly striving for perfection. Born in Southern China, he is a sampled different Chinese cuisines (both South and North) as well as European Cooking. Among his specialties are: British colonial, Italian, French cuisine, Thai, Chinese, and more. Chef Chan is cooking in Hong Kong. At Chan's Chuan, food is prepared unconventionally. For example, our roast duck is cooked 12 hours to prepare our soup from fresh chicken. We do not use artificial flavorings, no chemicals, no preservatives, MSG (Monosodium Glutamate), food colors, etc. are used.

At Chen's Chuan, the flavor of our dishes comes from freshness and the natural flavor of the food itself, not from other agents.
